JACKSON STATE UNIVERSITY CAREER SERVICES CENTER

STUDENT SPOTLIGHT

Haley Shelby

Major:
Industrial Technology Management

Graduation Date:
December 2019

Position: Anthem GBD Supervisor

Organization Name & Location:
Conduent

How Has The Career Services Center Helped You?
The Career Services Center has landed me with interviews with great companies. Although I wasn't able to get a position at those companies, the experience was great.

Advice For Other Students:
Don't be so set on one job title when looking for a job. Sometimes you have to start off at a lower position to work you way up. I started with Conduent January 2019 as a Call Center Representative in MS and within 8 months I quickly grew in the company and recently moved to San Antonio, TX August 2019 with my new position as Anthem GBD Supervisor.
