Approval for HPER Department to replace BIO 234 and BIOL 234 Human Anatomy and Physiology & Lab courses with PE 234 and PE 234L Human Performance: Anatomy and Physiology and Lab Course

Dr. Tamika Bradley presented the proposal to the Council.

- BIO 112 and BIOL 112 are pre-requisites for taking BIO 234 & BIOL 234. The pre-requisite courses were removed from the curriculums in the HPER Department due to required reduction in credits.
- Dr. Bradley was allowed to teach a section of BIO 234 and BIOL 234 for students in HPER.
- It was recommended by Dr. Begonia that HPER create an Anatomy & Physiology course for their majors.
- PE 234 and PE 234L are only modified versions of BIO 234 and BIOL 234.
- Dr. Gardner recommended that the person teaching the course have the proper credentials as required by SACS. A specialist student in that field would be a good candidate.
- It was moved by Dr. Gardner that the course replacement be approved. It was seconded by Dr. Ingrad Smith.
- The council unanimously voted to approve replacing BIOL 234 and BIOL 234 with PE 234 and PE 234L.
