

TypeFocus™ Careers

What is Typefocus?

Typefocus assesses personality type and generates customized reports, which helps the user people understand themselves better so they can choose more effective career strategies. After completion, the user has a set of five printable reports that form a **holistic approach to self-awareness and career success.**

How will Typefocus help me?

You will receive 5 Customized Reports:

- **Self-awareness: Who am I ...really?**
- **Setting Goals: Where am I going?**
- **Getting the Job: Gaining an Advantage**
- **Success at Work: Now that I've got the job, how do I succeed?**
- **Success Factors Results: Where should I focus?**
