How Has The Career Services Center Helped You?

The Career Services Center has helped me by providing multiple internship opportunities ranging from government to corporate that I wouldn't have found on my own.

Advice For Other Students:

Take advantage of the resources here at Jackson State. Also, build a relationship with at least one or two professors in your college because they can help get you connected with great opportunities and/or provide a good letter of recommendation.

Career Goals:

I would like to obtain a Ph.D. in Computer Science.
