Jackson Convention Complex
First student/alumnus to complete the program.

How Has The Career Services Center Helped You? The Career Services Center helped me to focus on my career and develop skills necessary to be successful in positions such as the Internship with the Jackson Convention Complex.

What are your future Career Goals? My future goals are to become employed in the marketing field within an organization while gaining more experience and assisting in the successes of the company growth.

Advice for Other Students: I would highly recommend that students use the services of the Career Center to achieve their career objectives by attending center events while identifying resources and strategies that will aid in the success of their career plan.
