It is with great pleasure and respect that we solicit your support for the 10th Annual MECA Conference which is a partnership between the College of Education and Human Development’s Department of Elementary & Early Childhood Education and the Childcare Directors’ Network Alliance (CDNA). This year’s theme is: Diamonds in the Rough: Cultivating Tomorrow’s Gems. We’re sure that your passion for educating and developing children, especially in the early years, is as strong as ours. We ask for your support in our quest to provide sessions that will assist teachers of all levels in offering quality educational skills and strategies in early childhood classrooms throughout Mississippi. We sincerely thank you for your support in advance.
