Instructions for Completing the Independent Aggregate Verification Group (V5) Form

A. Clearly Print and Complete All Information

We have received the student’s 2016-2017 Free Application for Federal Student Aid (FAFSA). The student’s FAFSA was selected for review in a process called Verification. As part of this process, Jackson State University is required by federal regulation to collect information to verify that the FAFSA’s information is accurate. If any differences are found, we will make corrections electronically on the student’s behalf and the student will receive an updated Student Aid Report (SAR).

Indicate the Student’s Last Name, First Name and J-Number on each document submitted to the Financial Aid Office. Be sure to complete all items. Do not leave any items blank; enter “N/A” if not applicable. Provide information for student and spouse if the student is married. If more space is needed for any of the sections, provide a separate sheet that includes the requested information, and include the student’s name and J-Number at the top of each sheet. The student must complete and return this form to the Financial Aid Office as soon as possible.

B. Student’s Household and College Information

List the people in the student’s household. Include: (1) the student; (2) the student’s spouse if the student is married; (3) the student’s or spouse’s children if the student or spouse will provide more than half of the children’s support from July 1, 2016 through June 30, 2017, even if the children do not live with the student; and (4) other people if they now live with the student and the student or spouse provides more than half of the other people’s support and will continue to provide more than half of their support through June 30, 2017.

Also, include information about any household member who is, or will be, enrolled at least half time in a degree, diploma, or certificate program at an eligible postsecondary educational institution any time between July 1, 2016 and June 30, 2017. Include the name of the college. The Financial Aid Office may require additional documentation if there is reason to believe that the information regarding the household members enrolled in eligible postsecondary educational institutions is inaccurate.
