Your FAFSA application has been selected by the Federal Student Aid processor for a review process called verification. In this process JSU will compare the data from your FAFSA to you and your spouses' 2012 federal tax forms sent to JSU through the IRS Data Retrieval process or from a tax return transcript from the IRS and other IRS documents. The law states that we have the right to request this information from you before awarding Federal Student Aid. If there are differences between your FAFSA data and your financial documents, JSU will send corrections electronically to the Federal Student Aid processor to have your information re-processed. Your Financial Aid award may be revised due to verification. To prevent your aid from being delayed, complete this form and submit it to the JSU Financial Aid Office as soon as possible. We must review the requested information, under the Financial Aid program rules (34 CFR, Part 668).
