E. Verification of 2014 Income Information for Student Tax Filers

Complete this section if the student and spouse, if married, filed or will file a 2014 IRS income tax return.

**TAX RETURN FILERS:** The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2014 income information that was transferred into the student’s FAFSA using the IRS DRT if that information was not changed. **Check the box that applies:**

- The student has used the IRS DRT in FAFSA on the Web to transfer 2014 IRS income tax return information into the student’s FAFSA.
- The student has not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2014 IRS income tax return information into the student’s FAFSA once the 2014 IRS income tax return has been filed.
- The student is unable or chooses not to use the IRS DRT in FAFSA on the Web, and instead will provide the school a 2014 IRS Tax Return Transcript(s).

If the student and spouse, if married, filed separate 2014 IRS income tax returns, 2014 IRS Tax Return Transcripts must be provided for each. **Check the box that applies:**

- Check here if a 2014 IRS Tax Return Transcript(s) is provided.
- Check here if a 2014 IRS Tax Return Transcript(s) will be provided later.

F. Verification of 2014 Income Information for Student Non-Tax Filers

**NON-TAX FILERS:** Complete this section if the student and spouse, if married, will not file and are not required to file a 2014 income tax return with the IRS. **Check the box that applies:**

- The student was not employed and had no income earned from work in 2014.
- The spouse was not employed and had no income earned from work in 2014
- The student and/or spouse, if married, were employed in 2014 but were not required to file a 2014 federal tax return, and (1) have listed below the names of all employers, (2) the amount earned from each employer in 2014, and (3) whether an IRS W-2 form is provided. [Provide copies of all 2014 IRS W-2 forms issued to the student and spouse by their employers]. List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, provide a separate sheet with information below, the student’s name and J-Number at the top of each sheet.

G. HIGH SCHOOL COMPLETION STATUS

Provide one of the following documents that indicate the student’s high school completion status when the student will begin college in 2015–2016:

- A copy of the student’s high school diploma.
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student’s General Educational Development (GED) certificate, an official GED transcript that indicates that the student passed the exam, or a state-authorized high school equivalent certificate.
- For students who completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- For a homeschooled student from a state where state law requires the student to obtain a secondary school completion credential for home school (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a homeschooled student from a state where state law does not require the student to obtain a secondary school completion credential for home school (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a home school setting.
