NEW STUDENT ORIENTATION

Challenging Minds Changing Lives
NEW STUDENT ORIENTATION

New Student Orientation introduces first-time freshmen and transfer students to the university. Areas addressed include registration, academic advisement and services provided by Financial Aid, Business and Residential Life offices, along with other resource and support services.

FIRST-YEAR EXPERIENCE PROGRAM

College is an exciting and challenging time. The First Year Experience (FYE) Program, a unit in Undergraduate Studies, is designed to support both an academic and social transition to Jackson State University. This integrated program emphasizes academics, citizenship, leadership, service and core values. The centerpiece of FYE, a University Success course, is required of all first-time freshmen. Within the course, students focus on academic planning, critical thinking, technology and community service. The program also offers engaging co-curricular activities, academic support resources and projects designed to help make the best possible transition to college life.

Components of FYE include:
• New Student Orientation
• First Year Assessment Program
• First Year Advisement Center
• Comprehensive Academic Support Services
• Student Retention Services
• Transition/Transfer Program
• Summer Intervention/Summer Bridge Program
• Center for Undergraduate Research
