## College of Liberal Arts

The College of Liberal Arts (CLA) at Jackson State University promotes and supports significant research, innovative scholarship, and creative expression in the arts, humanities, social and behavioral sciences. By offering a rich array of undergraduate and select graduate programs, the CLA provides a diverse and engaged student body with an outstanding education founded on nurturing relationships between students and distinguished faculty.

In the CLA you are provided the knowledge and experiential learning to ensure you are prepared to communicate effectively and reason critically. You get hands-on experience in radio through KTSU, television through WJSU, video, editing, etc. Our world-class faculty will prepare you for a lifetime of professional development in a world that is constantly changing.

Come, study with us and gain a wide variety of academic and professional experiences in the arts, music, and media.
