February 28, 2017

To: Dr. Dorris Robinson-Gardner  
   Dean, Division of Graduate Studies

From: Dr. Walter A. Brown  
Chair, Graduate Curriculum Committee

Subject: Graduate Curriculum Committee Meeting Results:  
Department of History  
Department of Music  
Department of Special Education

The following actions were recommended by the Graduate Curriculum Committee for your review. The committee met on Tuesday February 28, 2017.

Department of Music

- Approved new course and course number, MUS 520 Introductory to Music Technology (3 hours).

  Recommendations:  
  Review reference list and add more recent material addressing technology  
  Make clear if the course is an elective or required.

Department of History

- Approved change in credit hours for HIST 551 Special Topics in World History from variable credit (1 to 6) to 3 hours.

Department of Special Education

- Approved new concentration in Masters of Science in Special Education for Visual Impairments.
- Approved new course, SPED 522 Assistive Technology for Individuals with Visual Impairments (3 hours).
- Approved new course, SPED 545 Advanced Braille (3 hours).
- Approved title change from SPED 543 Introduction to Braille and Other Technology to Introduction to Braille.
The Department of Special Education must re-submit the following material for final approval:

1. Proposals Sheets for each requests (includes syllabus, old {total credit hours needed for graduation} and new {total credit hours needed for graduation} curriculum summary.
2. Old and new syllabus for course title change (SPED 543).

Please let me know if you have any questions.
