## PREFACE

The Jackson State University Fact Book is an annual publication of the Department of Institutional Research, Planning, and Assessment. This document is an update of factual information which is designed to assist administrators, faculty, staff and other University constituents with statistical references about the institution. It assembles under one cover comparable information across a five year period.

The data collected and reported in the Fact Book is the official data for the University. As with any statistical data, these contained in the Fact Book are a snapshot of a single point in time. Every effort has been made to include within this publication the data most often requested. We invite the users of this book to freely comment on what data they would like to have included in the future.

Your comments and suggestions will be appreciated as the Department of Institutional Research, Planning, and Assessment attempts to produce a document that meets the needs of the University community. An aerial, high-angle view of a city skyline, heavily tinted in a dark blue color. In the center, a large, modern stadium with a distinctive, grid-like or lattice-like roof structure is prominent. To the left of the stadium, a tall, slender tower or crane-like structure rises into the sky. The foreground and midground show a mix of urban development, including parking lots, roads, and clusters of trees. The overall scene is a dense urban environment.

The main campus is a scenic 175-acre tract situated one mile west of the main business district of the city and is easily accessible from U.S. Highways 80, 49, and 51, and Interstates 20, 220, and 55. A modern airport with direct connections to major cities is about fifteen minutes away. Jackson State University has expanded to multiple satellite campuses: JSU Madison, JSU Downtown, E.E. Thrash Universities Center, and the Mississippi E-Center.

Jackson State University is a coeducational institution that is supported by the State of Mississippi and regulated by the Board of Trustees of Institutions of Higher Learning. The University receives support from legislative appropriations, student fees, and federal and private grants.

# HISTORY OF THE UNIVERSITY

---

Jackson State University is a four-year modern institution offering a 134-year tradition of academic excellence and wide-ranging, world-class research and educational opportunities. Founded by the American Baptist Home Mission Society in 1877, this historically black, co-educational public university is located just west of Jackson, Mississippi's thriving business district. Already blessed with a rich heritage, Jackson State continues to grow in size and reputation, with a diverse campus of more than 9,800 students, and more than 1,500 faculty and staff united in the pursuit of enlightenment on the scenic 172-acre campus.

Jackson State has six academic colleges and nearly 100 undergraduate and graduate programs. A multicultural institution, the University is recognized among the top two institutions for producing African-Americans with bachelor's degrees in education and second in the nation for graduating African-Americans with master's degrees in physical science. Jackson State also established the W.E.B. Du Bois Honors College with enriched curriculum and smaller classes.

Through its unique and prestigious programs, Jackson State prides itself on being a leader in creating global solutions for social, economic and health-related issues through research-intensive efforts. Jackson State's academic acclaim is complemented by new residential and student-service facilities such as its Campbell College Suites; a campus-based television station, JSUTV; a campus-based radio, WJSU-FM 88.5; and its storied distinction in intercollegiate sports.

Jackson State University is Mississippi's first-class urban institution dedicated to "Challenging Minds and Changing Lives."

## **JACKSON STATE UNIVERSITY: HISTORY/MILESTONES**

From a private church school in Natchez, Miss., with 20 newly freed slaves to a Carnegie-designated high-research institution with an international enrollment of more than 9,000, Jackson State University's transformation is a testament to courage, vision and leadership. *Washington Monthly* magazine annually ranks JSU among the nation's top colleges for social mobility, research and service. Jackson State is also considered one of the nation's top "Military Friendly Schools."
