INTRODUCTION

JSU FACTBOOK is a compilation of information about the University. It assembles under one cover comparable information across a five year period. JSU FACTBOOK is designed to provide information that is helpful in answering many of the commonly asked questions about the University, its programs and operations.

The mission of the Office of Institutional Research and Planning is to enhance the institutional effectiveness of Jackson State University by providing information which supports and strengthens operations management, decision-making, and planning process at the University. An integral part of this mission is an effort to continually improve the level and quality of this service. Accordingly, the Office staff welcomes any inquiries, comments, and suggestions growing out of your efforts to interpret or utilize the information presented in this publication.

ACKNOWLEDGMENTS
