Bachelor of Music in Performance-Music Technology(BM)

The Bachelor of Music in Performance-Music Technology major provides each student a curriculum which develops a fundamental skill set in music with specific training in Music Technology. Coursework in music begins during the first semester of the freshman year in order that the comprehensive curriculum aligns with the general education requirements during the 4 year course of study. Majors should plan their course selections carefully with a departmental advisor. A copy of this plan must be submitted to the Office of STARS thirty (30) days before graduation clearance is approved in the Dean's Office.
