Seating Capacity

When the seating capacity for a particular location is reached, the date will no longer be available for selection in the drop down menu. If there are no available training dates available, then all scheduled sessions have reached maximum capacity.

Cancellations

Due to the finite resources allocated for professional development as well as the seating capacity for each session scheduled, your commitment to attend training is viewed as a vital component to the process. Your attendance and/or participation in our activities ensures the maximum return on investment (ROI) of the funds, time, and staffing required to deliver meaningful competency based development to our JSU community. By registering for one of our training sessions, you've effectively reserved a seat that is no longer available to the general campus population. To this end, last minute cancellations and/or "no shows" tend to increase the per employee cost as well as prevents other interested employees from reserving that seat.

To maintain the lowest Cost to Train, we ask that you inform us of your cancellation as early as possible or perhaps recommend another non-registered employee to attend in your place.
