I understand that I will be considered for all roles in all productions, and that if I am cast I will attend all required rehearsals, meetings, and performances. Rehearsals are generally 4-5 weeks before production date, and will usually start from 6pm-10pm as needed, M-F and Saturdays as needed. Actors are required to provide proper shoes, rehearsal clothes, and stage makeup. If cast, I understand that I may be asked to cut or dye my hair.
