Exempt from Oral Presentation and Administrative Review

Academic programs which have provided a thorough understanding of their units and potential contribution to the new academy.

Oral Presentations

Academic programs which require further exploration either in terms of present status or future potential or both. The academic leaders of the programs in this group will present to the faculty and to the Futures Task Force at a date and time to be announced in the near future.

Administrative Review

Academic programs which require administrative review due to a general lack of usable information in their reports. The academic leaders of these programs will meet individually with the President, Interim Vice President of Academic Affairs and Deans at a date and time to be announced in the near future.
