MINUTES

Agenda Approval:

- The council reviewed the agenda for approval.
- Two corrections were recommended.
- Dr. Dorris Gardner motioned that the agenda be approved pending revisions.
- It was seconded by Dr. William Brown.
- The council voted unanimously to approve the agenda.

Approval of Minutes:

- The Council reviewed minutes from the January 28, 2010 meeting.
- Dr. Dorris Gardner motioned that the minutes be approved.
- It was seconded by Dr. Yvette Turner.
- The council unanimously voted to approve the minutes.

ACTION ITEMS:

Approval of Teacher Education Admits, Summer & Fall 2010

- The Council reviewed the list of teacher education admits as Dr. Lennie Little called the names of each student admitted to teacher education.
• It was moved by Dr. William Brown to approve the list of admits and second by Dr. Ingrad Smith.
• The council unanimously voted to approve the list of teacher education admits.

Approval of Teacher Candidates, Fall 2010

• The Council reviewed the list of teacher candidates as Dr. Lennie Little called the names of each teacher candidate.
• It was moved by Dr. Ronica Arnold to approve the list of teacher candidates and second by Dr. William Brown.
• The council unanimously voted to approve the list of teacher education admits.

Approval for HPER Department to replace BIO 234 and BIOL 234 Human Anatomy and Physiology & Lab courses with PE 234 and PE 234L Human Performance: Anatomy and Physiology and Lab Course

Dr. Tamika Bradley presented the proposal to the Council.

• BIO 112 and BIOL 112 are pre-requisites for taking BIO 234 & BIOL 234. The pre-requisite courses were removed from the curriculums in the HPER Department due to required reduction in credits.
• Dr. Bradley was allowed to teach a section of BIO 234 and BIOL 234 for students in HPER.
• It was recommended by Dr. Begonia that HPER create an Anatomy & Physiology course for their majors.
• PE 234 and PE 234L are only modified versions of BIO 234 and BIOL 234.
• Dr. Gardner recommended that the person teaching the course have the proper credentials as required by SACS. A specialist student in that field would be a good candidate.
• It was moved by Dr. Gardner that the course replacement be approved. It was seconded by Dr. Ingrad Smith.
• The council unanimously voted to approve replacing BIOL 234 and BIOL 234 with PE 234 and PE 234L.

UPDATES:
Mission & Vision for the College of Education and Human Development

• Dr. Walter Brown presented a draft of the mission and vision for the College of Education and Human Development, which was developed by the committee.
• Dr. Brown asked to council to provide feedback to the committee.
• Council members may send feedback to walter.a.brown@jsums.edu.
Goals for 2010-2011

- Dr. William Brown presented a draft of goals for 2010-2011 for the College.
- Department Chairs were asked to provide their department goals.
- The committee will then review them and create goals on the College level. The committee will take a department specific goal and use that same concept and put it on a higher plain to focus more on the college.
- Currently only goals from Department Chairs are being used. Dean will allow for suggestions from the faculty and staff at a later date.

Physical Science/Physics Education Program – Dr. Mehri Fadavi

- Curriculums were approved in January 2009.
- Four students enrolled: 3 physical science and 1 physics majors;
- Fall scholarships available for $8,000.00 and up;
- Recruitment conducted at Delta Community College, East Central Community College, Hinds Community College-Jackson & Utica campuses.
- Dr. Gardner asked if recruitment could be expanded to included Tougaloo College, Rust College, Alcorn University junior level students.
- Dr. Fadavi state that freshmen and high school students are not recruited because of retention issues.

Remarks:

- The Dean made general remarks regarding the goals, mission, and visions for the College.

Adjournment:

The meeting was adjourned at approximately 5:10 p.m.
