JSU Transfer Ambassadors
Overview

Purpose Statement

The JSU Transfer Ambassadors will assist Community College Relations in achieving the university’s goal of recruiting and retaining academically sound community college transfer students. The ambassadors will help prospective community transfer students facilitate a smooth transition from their respective community college to Jackson State University. Ambassadors will also ensure that prospective community college transfer students are informed about admissions requirements, financial aid deadlines, housing information and any other appropriate information for admission to Jackson State University.

Selection Process

JSU Transfer Ambassadors are excepted to be leaders in all aspects. Therefore, it is essential that they are committed to achieving academic excellence. Students should meet the following requirements:
- Have a 2.8 grade point average on a 4.0 scale
- Be enrolled full time at Jackson State University
- Must have attended a community college
- Interview with CCR staff
- Posses strong leadership skills

Functions of JSU Transfer Ambassadors

- To travel occasionally with the community college recruiter
- Provide a thorough campus tour for prospective community college transfer students, parents, and educational groups.
- Assist with recruitment activities at their former community college.
- Communicate with prospective community college transfer students regularly in order to keep them abreast with pertinent deadlines and university activities.
- Attend and assist with JSU Transfer Day, Phi Theta Kappa Day, and other events held by Community College Relations.
- Assist with other recruitment functions as designated by the advisor.
