Domestic Violence Awareness Month Events

October is Domestic Violence Awareness Month. This month is used to recognize the commonality and severity of domestic violence in today’s society, in order to bring about change. NCADV--National Coalition Against Domestic Violence defines domestic violence as the willful intimidation, physical assault, sexual assault and other abusive behavior as part of a systematic pattern of power and control enacted by one intimate partner against another.

Special events include:

**Domestic Violence NO MORE Campaign**, held on **October 4, 2016**, JSU Student Center Information Booth

**Dating and Violence is Not a Good Couple**, forum held on **October 4, 2016**, JSU Student Center, Ballroom A, 6-8 p.m.

For more information please call the JSU Title IX Office at **601-979-1561**.

Breast Cancer Awareness Month Events

October is Breast Cancer Awareness Month. During the month we pay homage to breast cancer survivors, those living with breast cancer today and lend help to seeking a cure. Breast cancer is the most common cancer diagnosed in women, and the second leading cause of cancer-related death in women.

The Department of Health, Physical Education and Recreation will host the following event:

**Wednesday – October 5: Awareness Health Fair and Blood Drive** 1st Floor of the T. B. Ellis Building (Old Gym)/Blood Drive Truck

Miss Jackson State University and the Royal Court will lead a Breast Cancer Walk on Sunday, October 23. The event will follow the Tiger Trail route.
