

Department of Alumni and Constituency Relations

Pre-Alumni Council

Overview

Jackson State University students are invited to join the Pre-Alumni Council (PAC). The purpose of PAC is to prepare students to become active alumni when they graduate. PAC encourages students to become effective alumni while enrolled in college and provides its members with the opportunity to give time, talents and finances to support their Alma Mater. It is PAC's goal to instill in our students the importance of becoming active alumni upon graduation by joining an alumni chapter in your hometown. PAC members hold monthly meetings, raise funds for activities, and become involved with the Jackson State University National Alumni Association, Inc. In addition, they will interact with alumni chapter presidents and regional board officers and attend alumni receptions, meetings and other events. PAC operates under the auspices of the Jackson State University Department of Alumni and Constituency Relations.
