How Has The Career Services Center Helped You?
Career Services Center helped me by formulating my resume correctly. They gave me tips on what to do and not to do in interviews. They took the time out to make sure I understood the reasons why first impressions matters.

Advice For Other Students:
My advice to other students would be “Every person you meet is a potential door to a new opportunity whether they are personal or professional. Build good bridges even in that just-for-now job, because you never know how those relationships can help you grow in life
