

***JSU CHEMISTRY RESEARCH  
SCHOLARSHIP AWARD  
APPLICATION***

***DEPARTMENT OF CHEMISTRY & BIOCHEMISTRY***

**COLLEGE OF SCIENCE, ENGINEERING AND TECHNOLOGY**

***JACKSON STATE UNIVERSITY***

## **JSU CHEMISTRY RESEARCH SCHOLARSHIP**

**GOAL:** Our goal and main priority is to ensure that each student receives the suitable knowledge needed to pursue a career or PhD in a Chemistry related profession of their choice through lectures, labs, research and tutorials. This scholarship is offered to freshman Chemistry majors to help provide financial support for their first year in college.

**AWARDED TO:** Incoming Freshman Chemistry Students

**AWARD DURATION:** 1 year (Students are expected to compete for other scholarships available at the University and from external sources.)

**Research Scholarship:** Incoming freshman students will receive \$1,000 per semester for providing research assistance to a selected faculty member in the Chemistry Department. The student will work with a selected faculty for 6 hours per week in the laboratory. The selected faculty will evaluate the student at the end of each semester. A GPA of 3.0 or better must be maintained to continue receipt of this award for the following semester.

### **Required Documents:**

- 1. Admissions application to Jackson State University**
- 2. Typed application form for scholarship**
- 3. High school or prior college transcript**
- 4. ACT or SAT score**
- 5. Three letters of recommendation**

### **Requirements:**

- 1. ACT 20 or equivalent SAT**
- 2. High School or Transfer GPA: 3.0 or better**
- 3. Has taken and passed Mathematics (3) and Chemistry (1) classes**
- 4. Has been admitted to Jackson State University**
- 5. Major: Chemistry**
