

Jackson State University
Rehabilitation Counseling Program
Rehabilitation Counseling Scholarships

The Rehabilitation Services Administration (RSA) has awarded a nearly \$1 Million Five Year Grant to support the academic training of master's level rehabilitation counselors at JSU. Rehabilitation Counseling graduate students selected for RSA Scholarships receive support for tuition and stipends. **Experienced rehabilitation counselors can earn salaries between \$40,000 to \$60,000 annually.** Overall, this decade it is expected that **115,400 additional rehabilitation counselors will be needed in the United States.** The following are examples of employment opportunities following receiving the JSU Master's Degree in Rehabilitation Counseling.
