**Important Message to Current and Prospective Students:** State licensure requirements vary from state to state. This table of which states requirements align with those of your degree program is based on those states which require completion of a Bachelor's degree from an accredited teacher preparation program as well as successful scores on the Praxis Educational Testing Service Examination Series: Praxis Core, Praxis Subject Area, and Praxis PLT. Note that there may be additional state specific requirements that you must meet if you wish to use your teaching degree outside of Mississippi. Please check the Department of Education website of the state you are interested in moving to for additional details.

#### **COVID-19 Teacher Preparation Temporary Changes**

*Due to the COVID-19 pandemic, the State Board of Education along with the MS Department of Education has suspended (waived) test requirements for entry to traditional (undergraduate) programs through December 31, 2021. Students must still meet all other requirements. On January 1, 2022, test prerequisites will be reinstated and students must again adhere to all requirements.*
