

JACKSON STATE UNIVERSITY

DUAL DEGREE REQUIREMENTS

A student may simultaneously earn two degrees. The student is encouraged to discuss interest in pursuing two degrees with assigned University advisor. Standard criteria are as follows:

1. Student must have completed minimum of 32 semester hours in residence at Jackson State University, with a minimum cumulative grade point average of 3.0.
2. Student must be registered in one of the schools. (The School in which the student is initially accepted will be deemed the “home” or “host” School.)
3. Student must be admitted to each school in which a degree is being sought.
 - a. Student must submit a separate Application for Dual Degree along with other required documents to each respective school.
 - b. Student must return completed and signed applications to the Office of Data Management and Records.
 - c. Degree plans must be developed and approved by an advisor from each of the respective schools.
 - d. Student must meet requirements and follow procedures of each school.
4. Degree requirements for each major must be met simultaneously.
(Meeting the requirements of dual degrees may lengthen completion time of academic programs.)
5. Student must maintain grade point average of 2.00 or higher in each degree program.
6. Student may withdraw from this arrangement at any time prior to the final semester in which the degrees are to be awarded by submitting a formal letter of withdrawal to the Dean of each school in which enrolled.
