Foreign Languages Major with a Concentration in French

The Foreign Languages major requires coursework in two languages: Spanish and French. Students must choose one of these as the primary language and the other as the secondary language. A major in foreign languages requires 30 credit hours in the primary language and 24 credit hours in the secondary language. Students must plan their course selections carefully with a departmental advisor. A copy of this plan must be submitted to the Office of STARS thirty (30) days before graduation clearance is approved by the Dean's Office.
