Instructions for Completing Dependent Custom Verification Group (V4) Form

A. **Clearly Print All Information**

We have received the student's 2021-2022 Free Application for Federal Student Aid (FAFSA). The student's FAFSA was selected for review in a process called Verification. As part of this process, Jackson State University is required by federal regulation to collect information to verify that the FAFSA is accurate. If any differences are found, we will make corrections electronically on the student's behalf and the student will receive an updated Student Aid Report (SAR).

Indicate the student's Last Name, First Name and J-Number on each document submitted to the Financial Aid Office. Be sure to complete all items; do not leave any blank; enter "N/A" if not applicable. Provide information for the student and parent(s). If more space is needed for any of the sections, provide a separate sheet that includes the requested information, and include the student's name and J-Number at the top of each sheet. The student must complete and return this form to the Financial Aid Office as soon as possible.

B. **High School Completion Status**

Students must provide one of the following documents below to indicate the student's high school completion status when the student begins college in 2021-2022:

- A copy of the student's high school diploma **or** a copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- A state certificate or transcript received by a student after the student passed a State authorized examination (GED test, HiSET, TASC, or other State-authorized examination) that the State recognizes as the equivalent of a high school diploma.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- For a student who was homeschooled in a State where State law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a student who was homeschooled in a State where State law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

Note: A student who is unable to obtain the documentation listed above must contact the JSU Financial Aid Office at 601-979-2227 or email, finaid@jsums.edu.
