MESSAGE FROM THE CHAIR

Dear Friends:

It is with great pleasure that I present to you the 2006-2007 Annual Report for the Jackson State University Development Foundation. This report is reflective of the Foundations' mission to generate, manage, and distribute funds for the enhancement of Jackson State University.

Thanks to President Ronald Mason, Jr., Jackson State has experienced great success in 2006-2007, from the construction of a state-of-the-art student union facility, which will be completed in 2008, to the newly accredited School of Engineering program. These notable accomplishments are made possible through Dr. Mason's vision and leadership, along with his committed team of faculty and staff, which ultimately affects the Foundations' ability to secure private gifts.

As you review the information included in this publication, you will see how numerous alumni and friends have given significant contributions to preserve and sustain Jackson State's legacy of excellence and for that we are grateful.

On behalf of the JSU Development Foundation, I extend my sincere appreciation for your continuing support.

Sincerely,

Leland Speed
Chair

MESSAGE FROM THE EXECUTIVE DIRECTOR

We at Jackson State University have made great strides in 2006-2007. To date, we have raised \$29 million toward our \$50 million goal in *The Campaign for Jackson State*. We are aggressively working to secure the remaining \$21 million through an array of gift solicitation programs, including the Faith Fund, Circle of One Hundred Club, The Tiger Fund, Planned Giving, and the Legacy Brick Campaign all of which allow donors to choose areas of interest and to give at a level with which they are comfortable.

In this regard, we are proud to offer a new online giving option. This feature is available for alumni and friends to give to the University from the comfort of their homes and/or offices by simply visiting JSU's website at: www.jsums.edu and clicking on supporting Jackson State.

It is vital for the future of the institution that we increase private funding so that we can provide opportunities for student financial assistance, program enhancement, and endowed faculty positions.

Thank you for your generosity. We look forward to working with you as we continue to challenge minds and change lives.

Sincerely,

Evangeline W. Robinson
Executive Director

Program and Scholarship Support

Thank you for supporting faculty, students, and our community:

BankPlus has made a \$1 million gift to the campus to establish an endowed chair in the College of Business in honor of Dr. Quinton Booker, who serves as the Accounting department chair. The Booker professorship will enable JSU to continue to attract the most qualified faculty members to the campus and provide the chair holder with financial support for professional development opportunities that will enhance research and teaching.

Former Netscape Communications President and Chief Executive Officer **James Barksdale** made a \$5 million commitment to the University and the Mississippi Learning Institute in memory of his late wife, Sally McDonnell Barksdale, who served on the JSU Development Foundation Board. The Institute, JSU Region of America Reads Mississippi, and the Rod Paige Room are housed in the Sally McDonnell Barksdale Educational Resource Center.

Cellular South provided a \$25,000 donation to the University in support of five talented and industrious entering freshmen. Each qualifying student receives \$3,000 for four years to assist with room, board, and/or books.

FedEx Services contributed \$50,000 to provide financial assistance to students with financial needs, strong backgrounds in the area of community service, and are involved in career and personal development.

George A. Harmon established the **Henriene Harmon Carter Scholarship Relief Fund** to honor the legacy of his sister, Henriene Harmon Carter, noted educator and administrator. The \$58,000 scholarship investment provides annual book scholarships to Yazoo County students.

State Farm Insurance of Bloomington, Illinois made a \$50,000 contribution to the Department of Computer Science.

The **Swalm Foundation** made a \$2 million gift to the newly accredited School of Engineering in the form of scholarships. The scholarships also provide assistance to students majoring in engineering to defray tuition cost.

2006-2007 Gift Club Recognition

The Jackson State University Development Foundation Gift Clubs recognize the generous support of our donors. Membership in gift clubs is based on the cumulative giving level reached during a fiscal year, July 1 through June 30. In prior years, membership in gift clubs included donors who gave scholarship and unrestricted gifts to the Foundation. Beginning with the 2006-2007 fiscal year, all Foundation donors are eligible for gift club membership.

We thank all of those who, through their gifts, provide vital support to students, faculty and programs, and enhance the university's reputation as a preeminent leader in teaching, research and service. Donors are listed in alphabetical order within the various gift club categories. Every effort has been made to ensure the accuracy of the donor list. If a name has been misspelled or omitted, we appreciate your assistance in reporting it to the Office of Development at 601-979-2946.

Independent Auditor's Report

To the Board of Directors
Jackson State University Development Foundation, Inc.:

The audited financial statements of the Jackson State University Development Foundation, Inc. (a Mississippi Corporation, not-for-profit) as of June 30, 2007 and 2006 and our report thereon are presented in the preceding section of this report. The following financial information has been subjected to the tests and other auditing procedures applied in our examination of the aforementioned financial statements, and in our opinion, it is fairly presented in all material respects in relations to the financial statements taken as a whole; however, it is not necessary for a fair presentation of the basic financial statements.
