

For non-English speaking individuals important documents written in English can be difficult to comprehend. The same is true for English speaking companies, entities or individuals seeking to review documents that are not written in English.

JSU Global provides translation, credential evaluation and interpretations to Jackson State University® students, faculty, and staff, as well as Mississippi and out-of-state-based businesses, and non-US citizens.

Translation services are provided for almost any document, including birth certificates, marriage licenses, high school certificates, high school transcripts, college/university transcripts, diplomas, divorce papers from court, and divorce certificates.

JSU Global offers [translation for more than 30 languages](#) and is the largest translation service in the state. Most documents are translated in five business days and can either be mailed or picked up at JSU Global’s office.

Official translations are accepted by organizations such as the Department of Motor Vehicle, Immigration Services, universities and colleges.
