College of Education and Human Development

In the Jackson State University College of Education and Human Development you learn to change lives. You will learn from a world-class nationally recognized faculty. You will learn the professional skills required to improve educational services and address social issues.

Accredited by the National Council for the Accreditation of Teacher Education, we are one of the largest departments on the campus of Jackson State University, with a student population that is rapidly approaching 2,500. We offer twelve undergraduate degrees, eight master degrees, one specialist in education with six concentrations, and three doctoral programs.

Come, study with us and receive challenging and rewarding experiences that prepare you for leadership in your field. Your success is our goal.
