Mississippi's **Zero Tolerance law** states that anyone under the age of 21 is prohibited to operate a motor vehicle with any alcohol in their system.

1 serving of alcohol = 1 hour wait to drive

Minors found guilty of DUI with a blood alcohol level between .01 and .08 % are in violation of the Zero Tolerance law. If a minor's level registers more than .08 %, then adult conviction penalties apply.

CONSEQUENCES OF YOUTH IMPAIRED DRIVING

Fines/Probation

First time offence can cost a person anywhere from \$250-\$1,000. Penalties increase in severity with repeat offenses, if occurring within a five year period.

Loss of Drivers License or Permit

First time offenders can have their drivers' licenses suspended for up to one year, or 90 days upon completion of the Mississippi Alcohol Safety Education Program

Jail Time

Jail time begins at 48 hours behind bars

Criminal Record

Criminal record can be sealed if 17 and under, but if it happens after the age of 18, this record will follow the person.

Alcohol Classes or Rehab/Community Service

The court may replace jail with attendance to a victim impact panel. Attendance and completion of the Mississippi Alcohol Safety Education Program (MASEP) is mandatory.

Hard to Find a Job

Having a criminal record can hinder a person from finding a good job.

Public Shame/Embarrassment/Disappointed Parents

Family and friends may hear about the DUI, this can be very embarrassing.

Death

Drinking and driving can cause a person to kill themselves or kill someone else.
