The SMWCTI, Southwest Mississippi World Class Teaching Initiative, is one of six World Class Teaching Programs that supports Mississippi teachers as they seek National Board certification.

The SMWCTI Mentoring Program pairs groups of selected National Board candidates with experienced, devoted, knowledgeable, and caring mentors who are National Board Certified teachers. During the mentoring sessions, the mentors guide and support candidates through the National Board process. The sessions also allow teachers the opportunity to network with other teachers in their teaching areas in order to collaboratively brainstorm and discuss standards, current trends, and effective teaching strategies.
