

**BACHELOR OF  
SCIENCE  
PROFESSIONAL  
INTERDISCIPLINARY STUDIES  
*General***

The Bachelor of Science in Professional Interdisciplinary Studies is a flexible program designed for mature adults who seek a nontraditional method for obtaining a bachelor's degree. The curriculum has rigor, coherence, and logical progressions and is aligned with current and anticipated market demands of students and the workforce. PRIS allows students to tailor coursework to meet their personal and professional needs. The General Interdisciplinary Studies Concentration option prepares students for a broad spectrum of employment opportunities in such career fields as communications, humanities and fine arts, natural science, education, behavioral and social science, entry level international relations and social and economic affairs. Additionally, the program is flexible enough for students to customize studies for today's and tomorrow's emerging positions and organizations.
