## **Biography/History:**

On April 27, 1911, Thomas and Lillian Campbell Randall were blessed with a beautiful baby daughter, whom they named Freida. She was nurtured by a loving, hard working father and devoted, dedicated teacher/mother. It was only natural that she would become a master teacher and leader in the community. She shared her life and resources with her family, Church, alma mater, sorority, friends and the children that she taught.

Freida, a native of Jackson, received her education in Jackson Public Schools and earned the B. S. degree at Jackson State University. She would often recount the caliber of teachers she had as mentors.

At an early age she accepted Jesus Christ as her personal savior and was baptized at New Mt. Zion Baptist Church. She served faithfully there with the Junior Matrons Auxiliary. After moving to Valley Street, She joined College Hill Baptist Church. She worked with the mission group, deaconesses, engaged in Bible study and was honored on May 12, 1991 as “Mother of the Year”. This was a special day.

Her teaching career spanned 42 years; eighteen with Hinds County Public Schools (one and two room schools) and 24 years with Jackson Public Schools. She was an innovative teacher and most of her students are successful adults and role models nationwide.

Freida’s hobbies were many; sewing, quilting, baking fruit cakes, canning fruits and vegetables, traveling and collecting. She was very photogenic and had a passion for being photographed with her children, grandchildren, extended family and friends.

Her affiliations included Mississippi Teachers Association, Sigma Gamma Rho Sorority, Past President and treasurer of Jackson Retired Teachers Association, A loyal supporter of Jackson State University Alumni Association, Board Member of Gerontology Society, Planning Committee of the Giant Conference on Aging, Board Member of Mississippi Senior Olympics, Billy Graham Prayer Group, and Friends of Mississippi State hospital. She actively participated in providing Christmas parties for the patients at the Mississippi State Hospital.
