Learn-A-Test

Registration & Access

Learn- A-Test provides online tutorials and practice tests for a variety of educational and career exams. Free access for all Mississippians through the local public library and/or the Mississippi Library Commission.

Access & Registration:

Access through the local public library:

Individuals may access Learn-A- Test through most public library websites. Look for a link to either “Learn-a -Test” or “LearningExpressLibrary”. The local library site may allow registration using your local public library barcode number as your username. If not, contact your library for a special code and instructions on creating the username.

Access through the Mississippi Library Commission’s website at: www.mlc.lib.ms.us

At the homepage, under Resources, click on Learn-A-Test.

A description of the service will appear.

Click on Learn-A-Test within the descriptive text.

The Learn-A-Test home page will appear.

Under Registration, click on the New User button.

Create a Username at least 6 characters long. We suggest using your public library ID number, but a student ID number, distinctive name, or other username may be used.

Create a password. The password must be at least 6 characters long and should be something easy to remember.

Re-enter the password as verification.

Enter an email address if desired. An email address is not required, but would allow the system to send you a copy of your password if you forget it.

Click the Register button.

A confirmation screen will appear. Print the page and save for future reference.

Click Continue to enter the Learn-A-Test program.
