

Division of Research and Economic Development

Training Request Form

OVERVIEW

The Division of Research and Economic Development at Jackson State University is available to conduct training for JSU departments in order to provide guidance about our division's processes and the University's compliance and sponsored program requirements. We can tailor the subject matter of the training to best meet the needs of your department. In order to request training, please complete and submit the form below so that we can know how to structure the training to meet your department's needs.
