## MISSION

We are committed to helping students gain a better understanding and appreciation for the arts. Through creative activities, students will acquire collaborative and organizational skills that can be utilized in theatre and in life.

## CLASSES

### Creative Writing

Students will develop, shape and create from their own experiences, expressions of poetry, prose and storytelling.

### Acting for Stage & Film

Training in voice, movement, and improvisation to enhance the beginning actor's understanding and artistic growth.

### Dance

Modern dance technique, styles and skills with emphasis on self-expression and body awareness.

### Media Production

Learn the process of creating short videos, including writing, interviewing, camera work and editing techniques.

Students will be instructed in two groups: grades 3-6 and grades 7-12.

Jackson State University is committed to the principles of equal education opportunity, equal employment, and affirmative action. The University does not discriminate on the basis of race, color, sex, handicap, age, religion, national origin, veteran status, or any other illegal basis.
