The First Presidential Debate

The College of Liberal Arts is excited to continue bringing civil awareness to our academic and community family by hosting the viewing of the first Presidential Debate between Democratic candidate Hillary Clinton and Republican candidate Donald Trump. They will debate issues of education, immigration, taxes and more.

Enjoy an early dinner in the College of Liberal Arts courtyard, then a short panel discussion before the debate.

The event will be streamed live with a question and answer period. We invite you to bring your students, organizations, and friends, and join us for a memorable experience. Voter registration available at event.
