

We are powered by GivePulse, an online software that allows students to manage and track their community service hours and allow our community partners to connect with our students.

To find agencies that are approved through the AVH Center for Service, please visit <https://jsums.givepulse.com/>. Our On-Campus Partners are listed under **Subgroups** and our External Partners are listed under **Affiliates**.

If you would like to have an agency approved that is not listed on TigerPulse, please have a representative from the agency to complete the link below.

**Online Site Agreement**
