

BACHELOR OF BUSINESS ADMINISTRATION ACCOUNTING

The Department of Accounting offers the BBA degree with a major in accounting. Accounting graduates are trained to speak the technical language of business. Our BBA graduates find employment opportunities in public accounting (e.g., “Big Four CPA Firms”), Government (e.g., Internal Revenue, FDIC, FBI, state tax and audit agencies) and Industry (corporate financial reporting, internal audit, etc.). Many of our graduates continue their education in our Master of Professional Accountancy and go on to sit for and complete the Uniform Certified Public Accountant Examination.
