BACHELOR OF BUSINESS ADMINISTRATION
BUSINESS ADMINISTRATION

The BBA in Business Administration program delivers well rounded business training, designed to produce ethical, technologically advanced, creative, and diverse global leaders in the fields of business. The program equips its trainees with general skill acquisition in business communication, problem solving, business analytics, critical thinking, as well as skills in critical business decision making and strategies. Graduates of the program are able to undertake careers as business consultants, human resource managers, distribution managers, project managers, sales managers, real estate brokers, and information systems managers. The program also prepares its graduates to potentially pursue graduate studies in various areas of business.
