

# BACHELOR OF BUSINESS ADMINISTRATION MARKETING

The BBA Marketing program provides trainees with outstanding skill acquisition in marketing and distribution strategies, with the ability to determine the most effective means of wholesale and retail distribution of products. The degree equips students with potential to become marketing practitioners with abilities to identify target audiences, gather information, evaluate market data, develop product pricing systems, and promotional opportunities. The program equips trainees with business communication skills, problem solving skills, business analytics skills, and critical thinking skills, to be applied in all areas of the marketing profession including advertising, sales, and distribution. Graduates of the program are equipped with leadership skills, analytical skills, and organizational skills, to be persuasive and creative problem solvers. Career opportunities include positions as advertising executive, retail analyst, distribution coordinator, merchandising manager, sales manager, promotions specialist, and communications director.
