HBCU – Part B

Funds may be used for the following:

1. Purchase, rental, or lease of scientific or laboratory equipment for educational purposes, including instructional and research purposes;
2. Construction, maintenance, renovation, and improvement in classroom, library, laboratory, and other instructional facilities, including purchase or rental of telecommunications technology equipment or services;
3. Support of faculty exchanges, faculty development, and faculty fellowships to assist in attaining advanced degrees in the field of instruction of the faculty;
4. Academic instruction in disciplines in which Black Americans are underrepresented;
5. Purchase of library books, periodicals, technical and other scientific journals, microfilm, microfiche, and other educational materials, including telecommunications program materials;
6. Tutoring, counseling, and student service programs designed to improve academic success;
7. Funds and administrative management, and acquisition of equipment for use in strengthening funds management;
8. Joint use of facilities, such as laboratories and libraries;
9. Establishing or improving a development office to strengthen or improve contributions from alumni and the private sector;
10. Establishing or enhancing a program of teacher education designed to qualify students to teach in a public elementary or secondary school in the State that shall include, as part of the program, preparation for teacher certification;
11. Establishing community outreach programs that will encourage elementary and secondary students to develop the academic skills and the interest to pursue postsecondary education;
12. Establishing and maintaining an institutional endowment fund under 34 CFR part 628 (no more than 20% of the grant may be used for this purpose);
13. Acquisition of real property in connection with the construction, renovation, or addition to or improvement of campus facilities;

14. Education or financial information designed to improve the financial literacy and economic literacy of students or the students' families, especially with regard to student indebtedness and student assistance programs under Title IV; and

15. Other activities proposed in the institution's comprehensive development plan that contribute to carrying out the purposes of the Title III-B program and are approved by the Secretary of Education. Except that not more than two percent of the grant amount may be used.

Funds may be used for the following:

1. Purchase, rental, or lease of scientific or laboratory equipment for educational purposes, including instructional and research purposes;
2. Construction, maintenance, renovation, and improvement in classroom, library, laboratory, and other instructional facilities, including purchase or rental of telecommunications technology equipment or services;
3. Purchase of library books, periodicals, technical and other scientific journals, microfilm, microfiche, and other educational materials, including telecommunications program materials;
4. Scholarships, fellowships, and other financial assistance for needy graduate and professional students to permit the enrollment of the students in and completion of the doctoral degree in medicine, dentistry, pharmacy, veterinary medicine, law, and the doctorate degree in the physical or natural sciences, engineering, mathematics, or other scientific disciplines in which African Americans are underrepresented;
5. Establishing or improving a development office to strengthen and increase contributions from alumni and the private sector;
6. Assisting in the establishment or maintenance of an institutional endowment to facilitate financial independence pursuant to section 326 of the Higher Education Act (HEA) of 1965, as amended;
7. Funds and administrative management, and the acquisition of equipment, including software, for use in strengthening funds management and management information systems;
8. Acquisition of real property that is adjacent to the campus in connection with the construction, renovation, or addition to or improvement of campus facilities;
9. Education or financial information designed to improve the financial literacy and economic literacy of students or the students' families, especially with regard to student indebtedness and student assistance programs under Title IV of the Higher Education Act (HEA) of 1965 as amended;
10. Services necessary for the implementation of projects or activities that are described in the grant application and that are approved, in advance, by the Secretary, except that not more than two percent of the grant amount may be used for this purpose;

11. Tutoring, counseling, and student service programs designed to improve academic success; and
12. Other activities proposed in the application submitted under subsection (d) that:
    - contribute to carrying out the purposes of this part; and
    - are approved by the Secretary as part of the review and acceptance of such application.
