LIVING ON CAMPUS CAN BE AN EXCITING AND REWARDING **EXPERIENCE.**

As a citizen of our residential community, you have the convenience of living close to classes, the library, laundry facilities, tutors, computer labs, and the Student Health Center.

Moving into a residence hall can be unpredictable. To make the transition easier, the Department of Housing and Residence Life has created this guide to help answer your questions before you pack your bags.

The Fall 2020 Move-In Guide details move-in days, parking services, directions, and other important information.

IMMUNIZATION RECORDS

ALL STUDENTS ARE REQUIRED TO HAVE
UP-TO-DATE IMMUNIZATIONS IN ORDER
TO MOVE INTO THE RESIDENCE HALLS.

If you have questions about immunizations,
please contact the Student Health Center at 601.979.2260.

**BEFORE YOU
ARRIVE TO
CAMPUS**

✓ MAKE SURE THAT YOUR REGISTRATION IS COMPLETE

1. All students must be registered for twelve (12) or more credit hours.
2. All tuition and housing charges must be paid prior to moving in.

✓ MEET YOUR ROOMMATES BEFORE MOVE-IN DAY

TO FIND YOUR ROOMMATE(S) INFORMATION:

1. Log into your THD Self-Service Portal.
2. Scroll down to "Assignments."
3. You will see a list of the occupants of your room, suite, or apartment.
 - If there is no occupant listed, it means there is no roommate currently.
 - Please note that limited information may be available if your roommate has set their profile to "Private."

✓ MOVING AND PACKING TIPS

PACK AHEAD OF TIME

Pack up things you know you won't need during the summer. Put those winter coats, extra towels, bed sheets, and school supplies in storage bins/moving boxes as soon as possible. It'll save you time and stress later.

REVIEW MOVE-IN CHECKLIST

Review the move-in checklist to make sure you have everything you need to set up your room. This will ensure that you won't have to make multiple trips to the store.

OPEN FIRST BOX OR OVERNIGHT BAG

Have a box or bag ready with things you may need right away – linens for your bed, change of clothes, personal care items, phone charger, etc.

YOUR MOVE-IN DATE & TIME

You will select your move-in day and time when you complete your pre-arrival Online Check-In Form in late-July.

Housing and Residential Life is establishing a carefully organized move-in process spread out over several days to follow public health and safety guidelines. In order to provide a socially-distanced and efficient move-in experience, please review the following updates:

- Unloading assistance will not be available.
- We will have large rolling cardboard bins and hand trucks (dollies) available at each dorm to assist you or you may bring your own.
- We encourage you to limit the number of people helping you move-in. Please do not bring anyone who may be sick or considered at risk.
- Per local and University guidelines, all individuals will be required to wear a mask for the duration of the move-in process.
- Students will choose arrival time slots (based on their room assignment) and have a limited amount of time to complete the move-in process.
- Please consider reducing the amount of personal belongings you bring with you to campus. Doing so will help ensure you have a quick and easy unloading process.

If you are planning on arriving after 7 p.m. on August 10-12, 2020, please notify the Housing and Residence Life office at **601.979.2326** or **housinginfo@jsums.edu**.

MOVE-IN DAY

In order to provide a socially-distanced and efficient move-in experience, each resident is assigned a specific day and time to move in. Specific floors may be further assigned to either morning or afternoon arrival times.

WHEN YOU ARRIVE

1. When checking in to your residence hall, unload your belongings directly onto the sidewalk area.
2. Parking in front of the halls is limited; stay with your belongings while someone else moves the vehicle to the lot reserved for move-in.
3. Report to the check-in area for your residence-hall assignment, which will be designated by signage.
4. You will be provided with a Room Condition Report to complete, an inventory of your new room's condition, and your room key or access card.

EARLY MOVE-IN

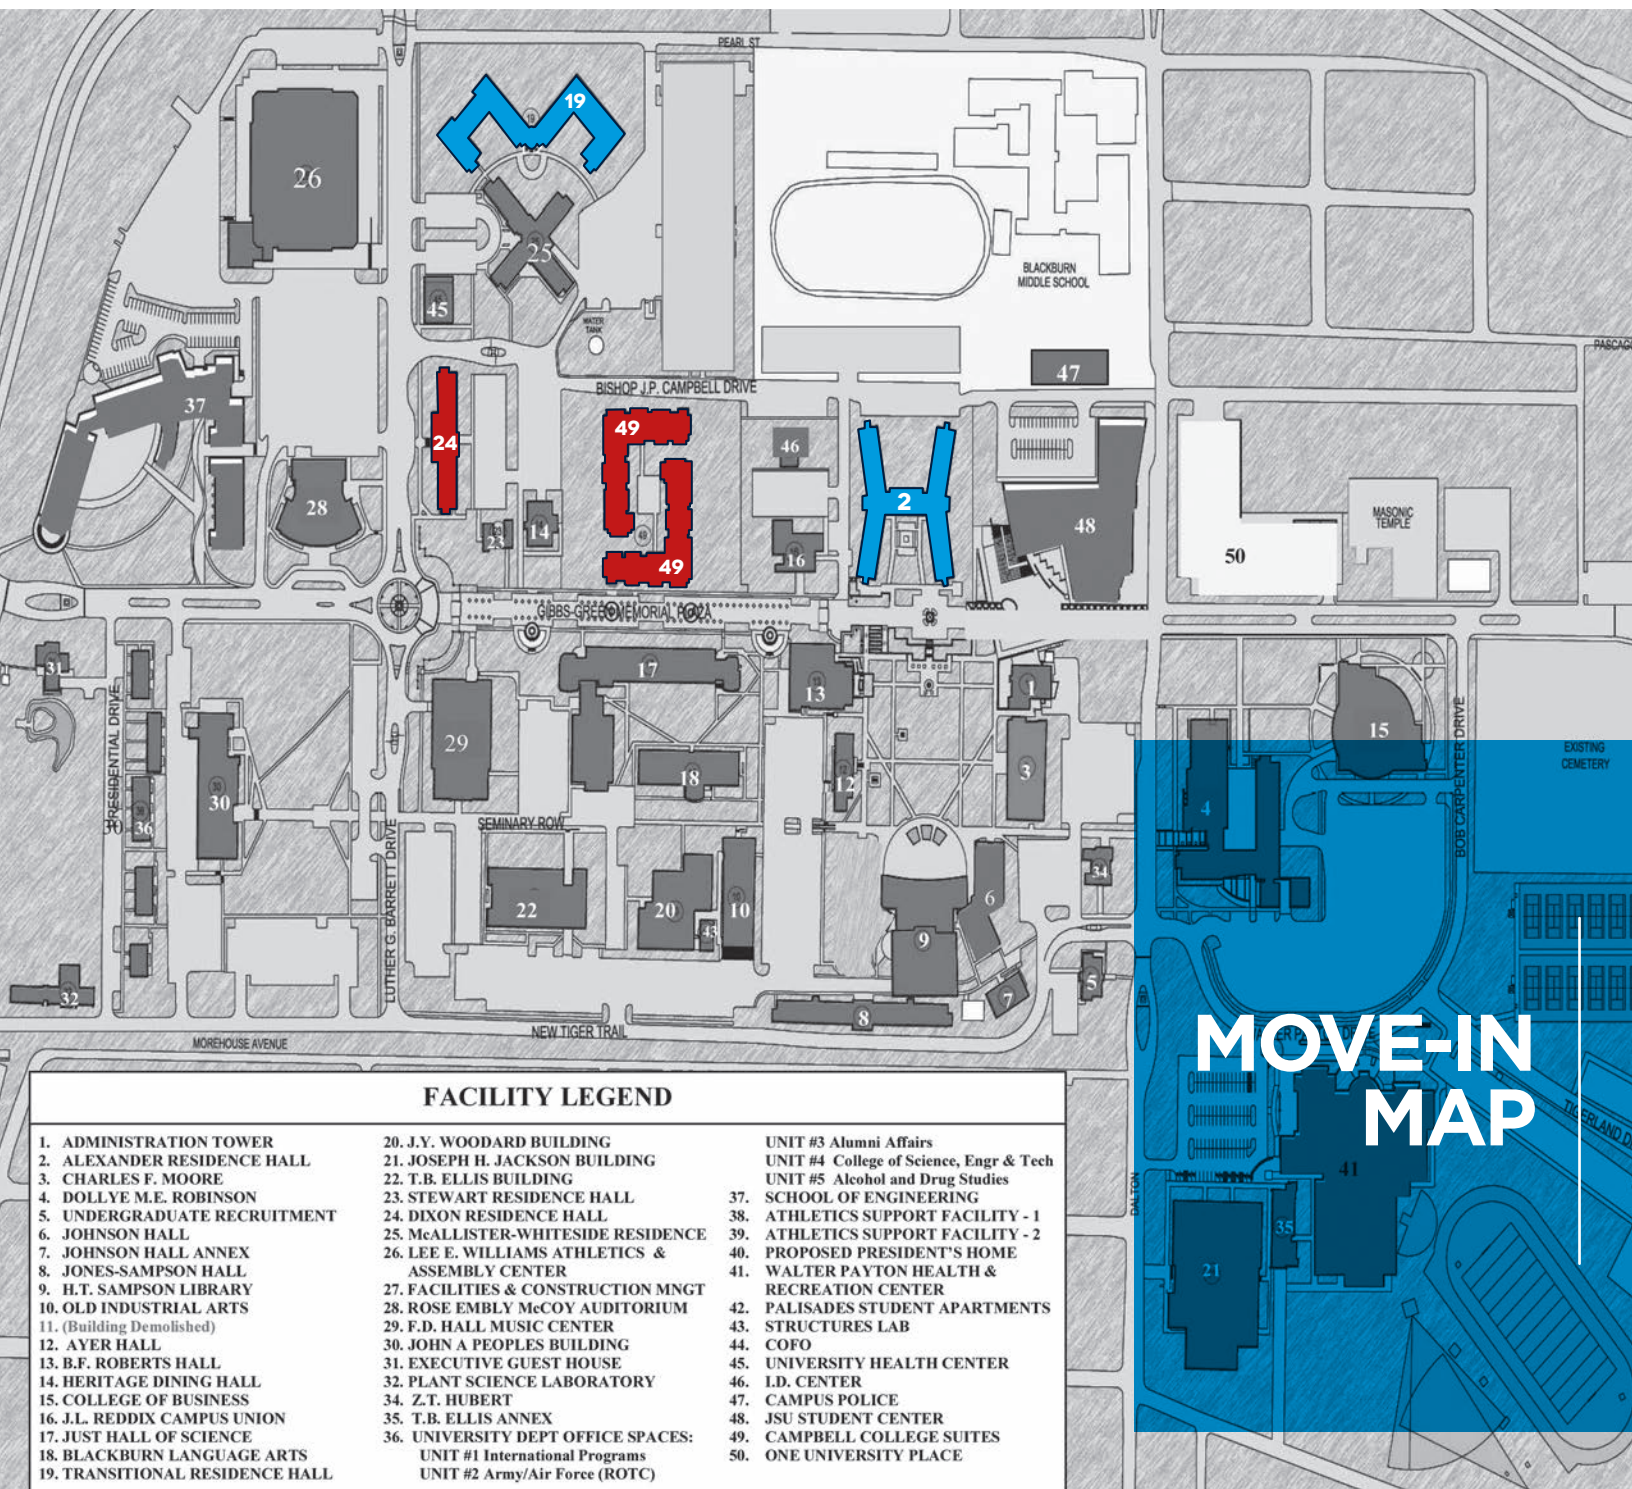

It is not possible to move in earlier than stated without an early-arrival request submitted to housinginfo@jsums.edu. Campus maps and driving directions to each residence hall can be found online. Students who move-in early and **DO NOT APPLY** for an Early Arrival will be fined and charged for each day they arrive early, factoring in their scheduled arrival day and time.

LATE MOVE-IN

If you intend to arrive later than the designated move-in dates, you must notify the Department of Housing and Residence Life. Email your name, J-number, and intended arrival date to housinginfo@jsums.edu before the semester begins. Failure to do so will place you in no-show status and jeopardize your room assignment.

MOVE-IN HELP

While you move, resident assistants and limited volunteers will provide directions and assistance while distributing room keys and important documents. We recommend bringing a limited number of family or friends to assist you. All individuals will be required to wear masks.
